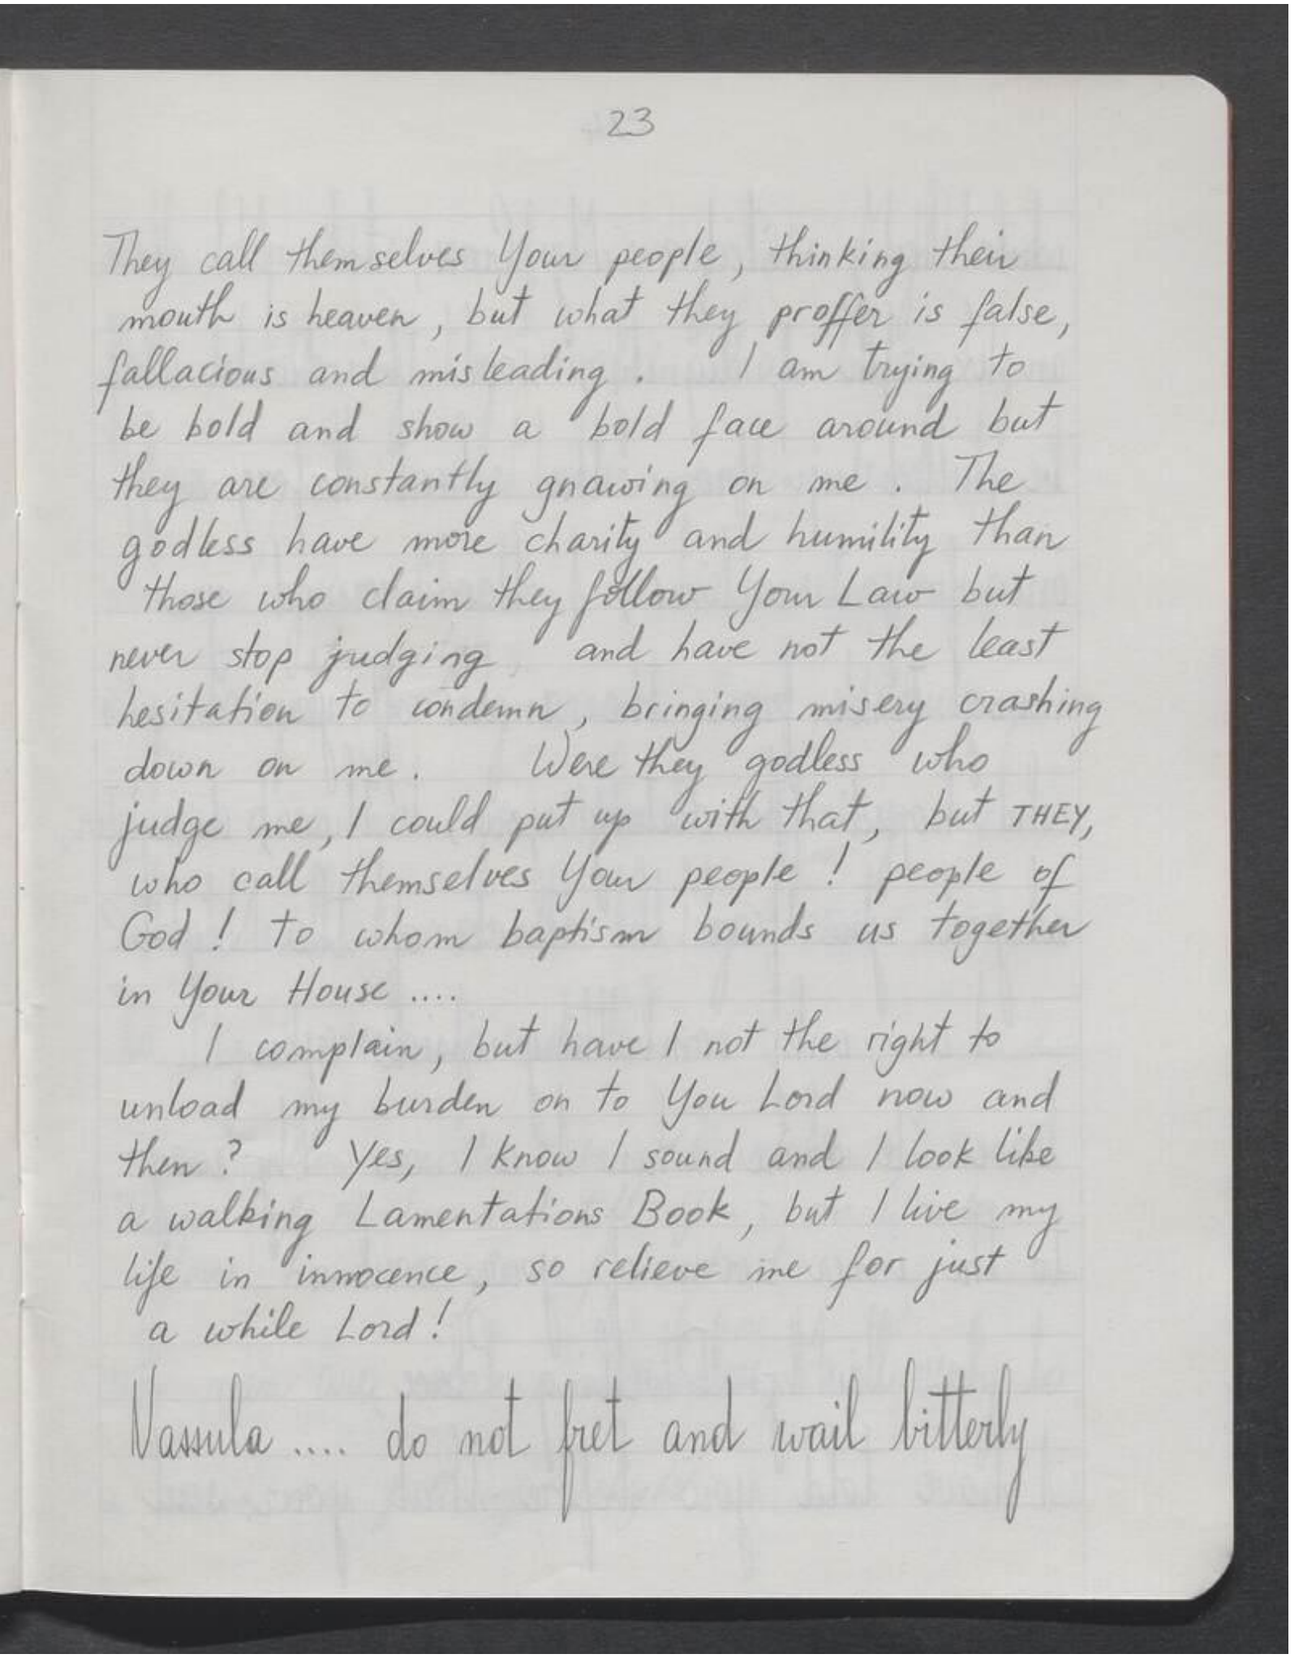
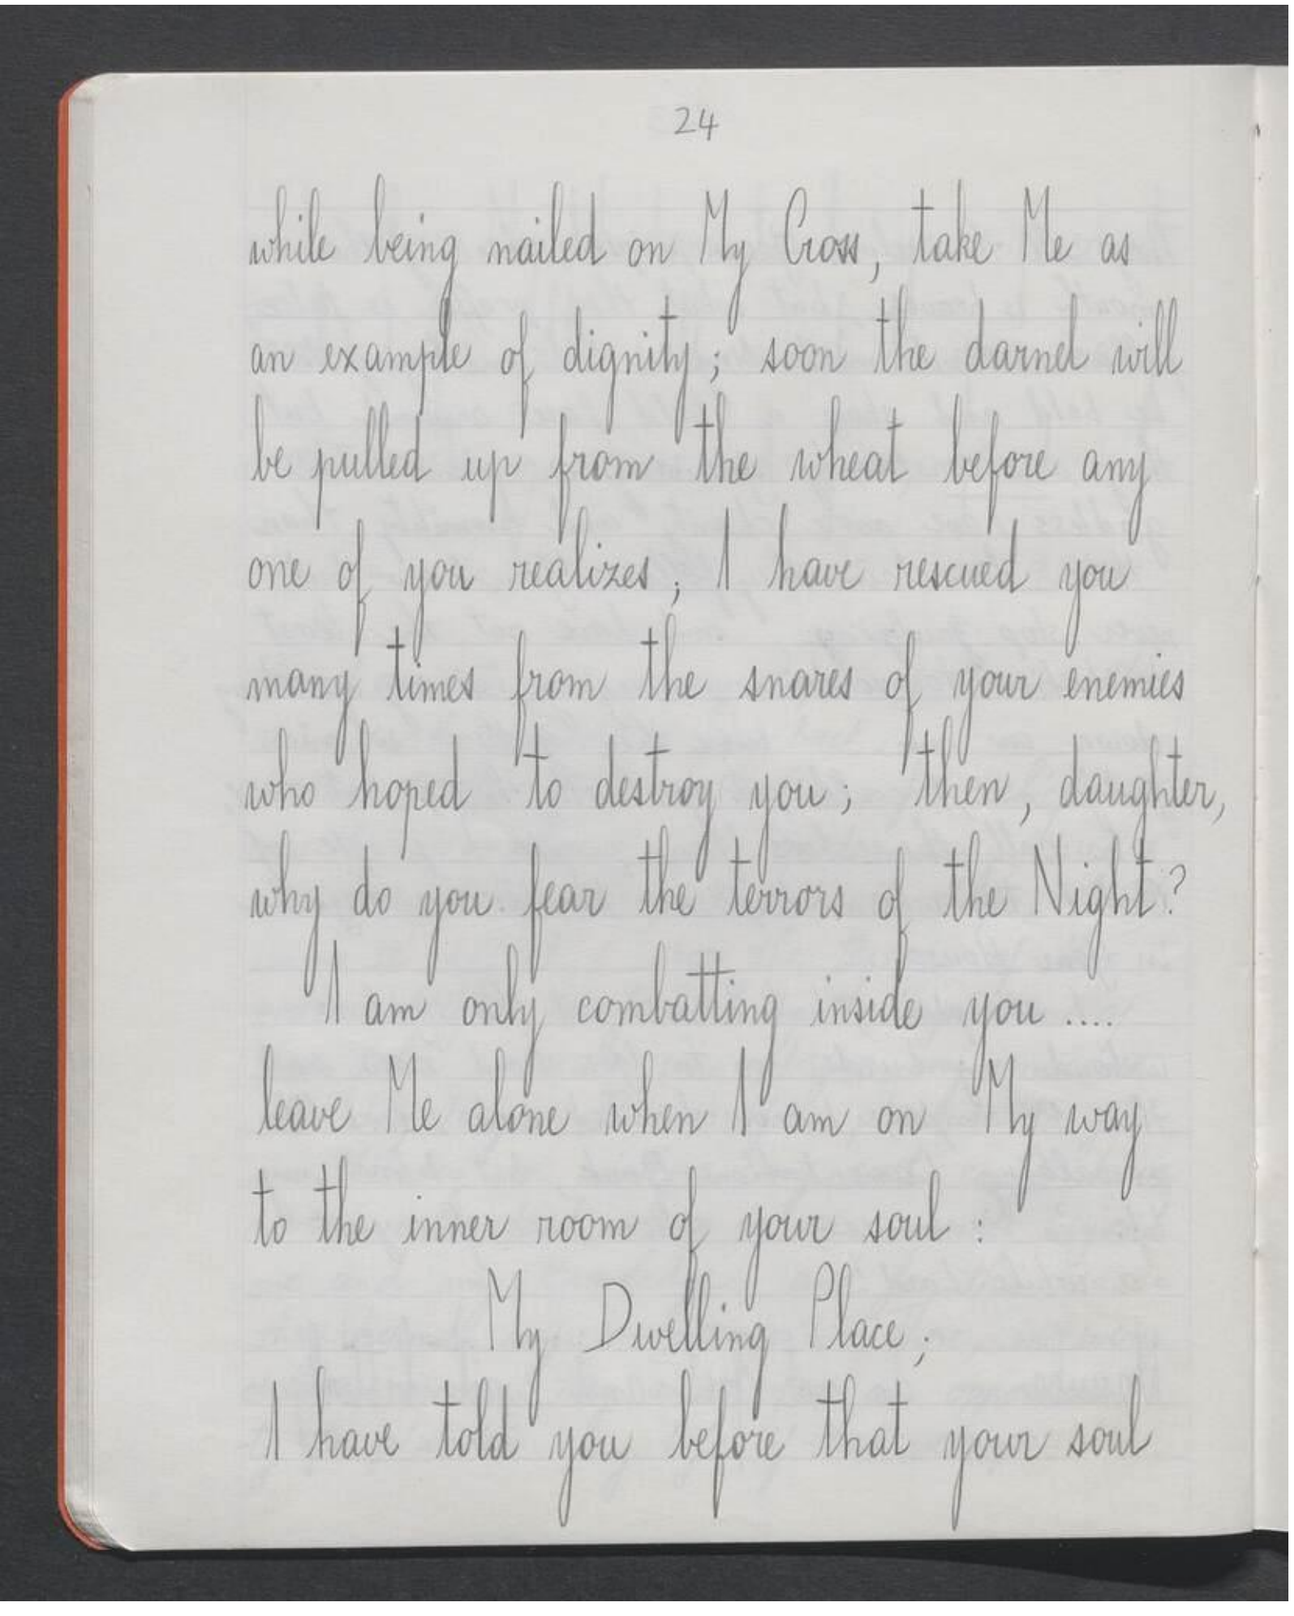
Here I am, to pick up my steps over these endless ruins, with a load on my back.
I come to You for consolation, for relief, and now the strength in me trickles away, and I am gnawed by grief that never sleeps. With immense effort I cross the terrors of this endless Night, enfeebled by the cynicism of these false witnesses who plague my innocence all day long. It was Your pleasure to give me the key on matters my soul could have never understood alone, on marvels beyond me and my knowledge, and for this reason they hound my innocence. There, in every obscure corner they await for an opportuni-ty to plunder my life if that were possible.



They call themselves Your people, thinking their mouth is heaven, but what they proffer is false, fallacious and misleading. I am trying to be bold and show a bold face around, but they are constantly gnawing on me. The godless have more charity and humility than those who claim they follow Your Law but never stop judging, and have not the least hesitation to condemn, bringing misery crashing down on me. Were they godless who judge me, I could put up with that, but THEY, who call themselves Your people! people of God! to whom baptism bounds us together in Your House....

I complain, but have I not the right to unload my burden on to You Lord now and then? Yes, I know I sound and I look like a walking Lamentations Book, but I live my life in innocence, so relieve me for just a while Lord!

Vassula.... do not fret and wail bitterly



while being nailed on My Cross, take Me as
an example of dignity; soon the darnel will
be pulled up from the wheat before any
one of you realizes; I have rescued you
many times from the snares of your enemies
who hoped to destroy you; then, daughter,
why do you fear the terrors of the Night?
I am only combating inside you ...
leave Me alone when I am on My way
to the inner room of your soul:
My Dwelling Place;

6.10,92

Lord, when Your words come to me, I devoured them. You have given me this celestial Manna to keep me alive and every Word You utter is my delight and the saving evidence of Your Love. Your Word is the joy of my soul, the cup of my consolation and the ravishments of my heart.
The world has inherited nothing but Deceptiveness, but Your Word from Your Mouth desinherited the world and all that is within it.
Remember how I stood in Your Presence unlawful and naked? and yet instead of decreeing a disaster for my appalling and despicable behaviour, Your utterance pierced these layers of thick dark clouds, and as a king conquering a city, You conquered me placing Your glorious Throne in me. In the parched places of my wilderness You sprang Your Fountain of Living Water, showing me Your favour and that from thereon I will be allowed to walk with I AM.

Jesus and He will give you an eloquence of speech to glorify Him; your suffering leads you to sanctification, and I tell you, in all Our grief a ray of consolation penetrates Our Two Hearts and We are filled with over-whelming joy when We see you coming to Us to pray; learn that prayer, love and humility are the strongest weapons against Satan; everyone of you makes part of the renovating process of the Church; but Satan in his fury will toss each one of you against each other if he finds you sleeping;

Shepherd of humanity, overthrow all Kingdoms
that do not call on Your Name!
Shepherd, You who lead us with loving care
back into the Fold, Your anxious glances do
not escape me, the swifter sound of Your
Heart-beats have left in my own heart traces
of sorrow. No, Lord, my ears are not deaf to
Your secret Sighs of grief, leaving my own
breath weak. Shepherd, the eyes of my
soul are witnessing today something never
seen before; no, do not hold Your Head sideways,
it is of no use hiding Your distress from me,
You have set me too close to Your Heart not
to notice Your movements .... and the Branch of
the Vine absorbed the sap from the Vine ....

beneath My skin I have placed you*; the
heavens will wear away before My creation
